Performing Arts Limited (more affectionately known as PAL) offers classes to children and adults in dance, music, and acting to more than 300 students. Katie Kinyon, Director of PAL, has produced the beloved family classic *The Nutcracker* to showcase dedicated students and artists across the community. Katie has years of professional experience as a dance and theatre teacher and choreographer. Performing Arts Limited is in its eleventh year serving the community. You are invited to be a partner in continuing this wonderful family tradition in our neighborhood.

Help us mark this wonderful occasion through your support and attendance of *The Nutcracker*. All proceeds will underwrite the cost of the production and help keep the cost of tickets to a minimum.
